NEW UTILITY BILLING SOFTWARE: WHAT YOU NEED TO KNOW

The City of Atkins has transitioned to a new utility billing software. Here's a quick overview of how billing works and the many convenient ways you can pay. Your Combined Service Utility Bill covers charges for water, sewer, garbage/recycling, landfill, and sewer debt fee.

BILLING TIMELINE AT A GLANCE

- Bills are mailed on or before the 5th of each month
- Payment is due by the 20th of each month
- A delinquent penalty of $15 is applied the next business day after the 20th if unpaid
- Meters are read between the 25th–29th of the month (may vary for weather, holidays, or weekends)
- Shut-off date is the last business day of the month that does not fall on a Friday. Accounts with a balance remaining at noon will have water service disconnected. To restore service, the full account balance plus a $75 reconnection fee must be paid during normal business hours.
